

ARTICULATION AGREEMENT

This Articulation Agreement (“Agreement”) is entered into on the 14th day of July, 2023 by and between **StraighterLine, Inc.** (“StraighterLine”), a corporation duly organized under the laws of the State of Delaware with a principal place of business at 1201 S. Sharp Street, Suite 110, Baltimore, MD 21230, and **DeVry University** (College), a postsecondary education institution duly organized under the laws of the State of Illinois, with a principal place of business at 1200 E. Diehl Rd., in Naperville, IL 60563 USA (“College”).

RECITALS

WHEREAS, StraighterLine has developed, implemented, offered, and administered online self-paced college-level courses, academic programs and curricula (collectively, the “Courses”) that meet the standards and requirements of College for certain general education courses under the trademark “StraighterLine”;

WHEREAS, StraighterLine desires to promote College to its current and former students (each, a “SL Student”) and prospective SL Students; and College desires to consider such individuals for admission at College and to accept toward College’s degree and certificate programs and recognize for academic credit each Course as listed on Annex A, all upon the terms and the conditions specified in this Agreement.

NOW, THEREFORE, in consideration of the mutual benefits and obligations contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Agreements and Obligations of StraighterLine:**

- a. Courses. StraighterLine will provide the Courses online set forth on Annex A, as such Annex A may be changed from time to time during the Term. The Courses will include sufficient instructional content to support the grant of credit hours set forth on Annex A by College.
- b. Information. StraighterLine will provide information to allow College to ensure that the Courses as developed and implemented are consistent with the standards of the College.
- c. Promotion. As a StraighterLine Partner College, College will be entitled to a dedicated page on StraighterLine’s website. StraighterLine agrees to work with College to customize its dedicated page to include if College wishes (1) campus images, (2) College’s logo, (3) message from College’s admissions office, (4) outline of programs College offers, (5) description of College’s transfer process for SL Students to have their Courses accepted toward a degree or certificate offered by College and recognized for academic credit, (6) video on College’s partnership with StraighterLine, (7) links to College’s website, (8) links to College’s social media presence and/or (9) other such items as may be mutually agreed between College and StraighterLine; provided in the case of (1)-(9) above College shall be responsible for providing the content to be included on the website page. StraighterLine further agrees to promote, advertise and market the College as a “StraighterLine Partner College” in a manner consistent with which it promotes other such partners as a group on its website and other social media, public relations or marketing efforts. StraighterLine may market individual promotional packages to SL Students from time to time; however, the parties acknowledge that StraighterLine is not being engaged to undertake any recruiting activities on behalf of College.

- d. Disclosure of Admission Process. The straighterline.com website will display, as provided or agreed with College, the process for a SL Student to be accepted or considered for admission by College before courses may transfer and credits will be recognized, including but not limited to, that College retains the final authority as to admission of students.
- e. No Exclusivity. StraighterLine's relationship with College as set forth in this Agreement is not exclusive, and in no way limits StraighterLine's ability to enter into agreements with other post-secondary institutions.

2. Agreements and Obligations of College:

- a. Course Equivalency and Award of Academic Credit. With respect to all SL Students who wish to continue their education at the College and that College accepts for admission, College agrees to accept towards College's degree and certificate programs and recognize for academic credit each Course as listed on Annex A in lieu of its own comparable general education courses required or acknowledged for degree completion.
 - b. Application Fee Waiver: DeVry will waive all application fees for eligible individuals admitted in connection with this Agreement.
 - c. Academic Standards. College shall have the right to review the curriculum and course content to ensure that the Courses comply with its academic standards.
 - d. Inclusion on College Website. The College will place a link to StraighterLine's website on the College's website wherever similar links are found.
 - e. Education Regulatory Authorities. College will implement this Agreement in accordance with the rules and regulations of all of its applicable education regulatory authorities including accrediting agency requirements. StraighterLine shall cooperate in providing information and data needed for College to comply with these requirements. College acknowledges that StraighterLine is not an accredited institution of higher learning and that College is solely responsible for complying with such requirements.
 - f. Academic Authority. The parties expressly acknowledge that nothing in this Agreement is intended to limit the authority of College in respect of the admission of students to College or the decision to award an academic credential.
3. **College Marks License**: College hereby grants StraighterLine a nonexclusive, royalty-free worldwide license during the Term to use College's principal trademarks and trade names ("College Marks") to promote, advertise and market College to SL Students and prospective SL Students. In no event shall the terms and conditions of this license permit StraighterLine to sublicense the College Marks to any third party without the College's express prior written permission. Except as specifically provided in this Section 3, neither party grants, assigns or otherwise transfers any interest or right in any intellectual property owned or used by the other party.

4. Confidentiality:

- a. "Confidential Information" as used in this Agreement shall mean any and all proprietary or confidential Technical and Non-Technical Information. "Non-Technical Information" means

all information related to a party's financial condition, purchasing, strategy, sales, educational processes, educational methods, educational programs and curricula, merchandising, and marketing, advertising or promotional activities or objectives, terms of agreements, and relationships with, third parties, proposed acquisitions of businesses and regulatory and accreditation history and status. "Technical Information" is any information that is not Non-Technical Information and includes, but is not limited to, proprietary information containing or related to patents, trade secrets, copyrightable materials, techniques, inventions, know-how, processes, algorithms, software programs, software source documents, functional requirements, design details and specifications related to the current, future and proposed products and services, and associated oral, electronic and written information concerning research, experimental work, and development projects. Student and prospective student lists, leads and lead sources, data and related personal identifiable information, if any, will also be considered Technical Information for the purposes of this Agreement.

- b. Each party agrees that it will not reproduce, make use of, disseminate, or in any way disclose any Confidential Information of the party disclosing its Confidential Information ("Disclosing Party") to any person, firm or business. Notwithstanding anything to the contrary in this Section 4(b), either party may disclose Confidential Information to the extent necessary to respond to a valid order by a court or other governmental body, as required by law (as advised in writing by counsel to the party), or as necessary to establish the rights of either party under this Agreement. In the event either party receives a court order, or is otherwise required by law to disclose any Confidential Information, such party will (i) notify the Disclosing Party immediately upon receipt of such court order or other document requiring disclosure, such that the party whose Confidential Information may be disclosed, has time to object and/or move for a protective order, and (ii) file any information disclosed in response to such order under seal and/or request that the court seal such Confidential Information. Except as may ultimately be required by such court order or by law, both parties' obligations with regard to such Confidential Information, as set forth above, will remain in full force and effect.
- c. Each party agrees that it shall disclose Confidential Information of the other party only to those of its employees or authorized representatives (e.g., temps, consultants, and contractors) who need to know such information and who have agreed, either as a condition of employment or prior to obtaining the Confidential Information, to be bound by terms and conditions substantially similar to those of this Agreement.
- d. Each party agrees that it shall treat all Confidential Information of the other party with the same degree of care as it accords to its own Confidential Information, and each party represents that it exercises reasonable care to protect its own Confidential Information.
- e. The obligations of a party receiving Confidential Information (a "Recipient") under this Section 4 with respect to any portion of the Disclosing Party's Confidential Information shall terminate when the Recipient can reasonably demonstrate that such Confidential Information: (i) was in the public domain at the time or entered the public domain subsequent to the time it was communicated to the Recipient by the Disclosing Party through no fault of, and without the breach of any obligation, the Recipient; (ii) was in the Recipient's possession free of any confidentiality agreement or other legal obligation at the time it was disclosed by the Disclosing Party to the Recipient; or (iii) was developed by employees or agents of the Recipient without use of the other party's Confidential Information.

5. **Term:** Subject to the provisions of Sections 6 and 7: Subject to the other terms of this Agreement, this Agreement shall be in effect for one (1) year from the Effective Date. Thereafter this Agreement will automatically renew for periods of one (1) year each until June 23, 2028 or until terminated by either party upon providing ninety (90) days prior written notice to the other party, whichever is sooner.
 - a. Initial Term. Subject to the other terms of this Agreement, this Agreement shall be in effect for one (1) year from the Effective Date.
 - b. Extension. Thereafter this Agreement will automatically renew for periods of one (1) year each until June 23, 2028 or until terminated by either party upon providing ninety (90) days prior written notice to the other party, whichever is sooner.
6. **Termination:** Subject to the provisions of Section 7, either party may terminate this Agreement upon 90 days prior written notice if the other party materially breaches any provision of this Agreement, provided that the non-terminating party shall have 90 days after receiving such notice within which to cure such breach.
7. **Phase-out period:** Upon expiration or termination of this Agreement, the provisions of Section 2.a above shall continue in effect for all then existing SL Students (but not later enrolled students) for the 12-month period following.
8. **Notices:** All notices, demands, and other communications hereunder (other than routine communications for administration of Courses and credits) shall be in writing and shall be deemed to have been duly given delivered five (5) days after being sent by certified mail, postage prepaid, return receipt requested, or one (1) business day after being delivered to a nationally recognized overnight carrier for next day delivery and provides for verification of service, or upon receipt if sent via e-mail, as follows:

If to StraighterLine:

StraighterLine, Inc.

The address then listed as its principal place of business on its website

E-mail: asmith@straighterline.com cc: gshanahan@straighterline.com

If to College:

Email: Amy Harth - aharth@devry.edu

Mail to: The address listed on the DeVry website as the Home Office with Attn: Academics cc: Legal

9. **Miscellaneous:**

- a. Amendment and Waiver. No modification, amendment or waiver of any of the provisions of this Agreement shall be effective unless in writing and signed by both parties.
- b. Relationship of Parties. This Agreement is intended to constitute a contract for the express purposes described herein, and is not intended to be construed as or to create a partnership or joint venture between StraighterLine and College. Neither party shall be authorized to bind or commit the other party to any contract, agreement or other obligation whatsoever.

straighterline

- c. Governing Law. This Agreement shall be construed and governed by the laws of the Delaware, without regard to such jurisdiction's conflict of laws principles.
- d. Entire Agreement. This Agreement contains the complete understanding of the parties and supersedes all prior agreements, whether written or oral, which relate to the subject matter hereof.
- e. Severability. If any term, covenant or condition of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term, covenant and condition to persons or circumstances other than those which it is held invalid or unenforceable, shall not be affected thereby and each term, covenant or condition of this Agreement shall be valid and be enforced to the fullest extent permitted by law.
- f. Assignment. This Agreement shall inure to the benefit of and be binding upon the parties and their respective permitted successors and assigns. Neither this Agreement nor any of the rights and obligations of the parties under this Agreement may be assigned by either party without the prior written consent of the other party; provided however that no such consent shall be required for the assignment of this Agreement by StraighterLine to a person or entity purchasing all or substantially all of the business of StraighterLine (whether by merger, consolidation, purchase of all or substantially all of StraighterLine's assets or otherwise) so long as the purchaser has assumed all of the obligations of StraighterLine.
- g. Injunctive Relief and Specific Performance. The parties agree that monetary damages would not be a sufficient remedy for any breach of Section 4 by a party or any of its representatives and that the non-breaching party shall be entitled to equitable relief, including injunction and specific performance, as a remedy for any such breach. Such remedies shall not be deemed to be the exclusive remedies for a breach by a party of Section 4 but shall be in addition to all other remedies available at law or equity to the other party for a breach of Section 4 or any other provision of this Agreement.
- h. Counterparts. This Agreement may be executed in two counterparts, each of which when so executed shall be deemed to be the original, but all such counterparts shall constitute one and the same instrument.
- i. Force Majeure. The failure or omission by either of the parties to perform any obligation contained in this Agreement shall not be deemed a breach of this Agreement if the same shall arise from any causes beyond the control and without the fault or negligence of such party, including, but not restricted to, acts of God, acts of federal, state, or local governments or any agency thereof, requests of any governmental authority or any officer, department, agency or instrumentality thereof, fire, storm, flood, earthquake, explosion, accident, acts of the public enemy, war, terrorism, rebellion, insurrection, riot, sabotage, epidemic, quarantine restrictions or transportation embargoes.
- j. Public Announcement. Each party agrees to hold the terms of this Agreement confidential except as otherwise required by the order of a court of competent jurisdiction. All press releases and public announcements regarding the relationship of the parties shall be approved in writing by all of the parties before any press release or other public announcement is made.

- k. Student Access. Student access to straighterline.com web site and StraighterLine services is governed by the restrictions, rules, and conditions outlined in the Terms of Use and Privacy Policy Statement which is available upon initial login to straighterline.com as such terms may be from time to time updated.
- l. No Special Damages. To the fullest extent permissible under applicable law, in no event shall a party be liable to the other party or any student for any incidental or consequential damages including, without limitation, indirect, special, punitive, or exemplary damages arising out of the use of or inability to use straighterline.com or any StraighterLine services or for any claim by any other party, even if a party has been advised of the possibility of such damages.

[The balance of this page intentionally left blank]

IN WITNESS WHEREOF, the parties have caused their duly authorized officers to execute this Agreement on the date first above written.

ANNEX A DeVry University Transfer Guide

Transfer Credits from StraighterLine

Effective from June 23, 2023 to June 23, 2028

DeVry University has developed this Transfer Guide to assist students transferring from StraighterLine to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at StraighterLine may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the [Academic Catalog](#).

This guide is based on a review of StraighterLine courses by DeVry as of June 23, 2023 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning their first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please contact a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded upon receipt of an official transcript only.

Limitations and Restrictions

Admission and transfer credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the external transfer credit policy. Additional state-specific requirements for transfer credit acceptance may apply.

Please note the following:

- A grade of C (70%) or higher is required for all transfer credits to DeVry University. Courses accepted in transfer may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

Provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. Information contained herein is neither an award nor a commitment to award credit at DeVry University.

In New York, DeVry University operates as DeVry College of New York. DeVry University is accredited by the Higher Learning Commission (HLC), <https://www.hlcommission.org>. Keller Graduate School of Management is included in this accreditation. DeVry is certified to operate by the State Council of Higher Education for Virginia. Arlington Campus: 1400 Crystal Dr., Ste. 120, Arlington, VA 22202. DeVry University is authorized for operation as a postsecondary educational institution by the Tennessee Higher Education Commission, <https://www.tn.gov/thec>. Nashville Campus: 301 S. Perimeter Park Dr., Ste. 100, Nashville, TN 37211. Programs, course requirements and availability vary by location. Some courses may be available online only. All students enrolled in site-based programs will be required to take some coursework online. Some students in certain programs and at certain locations may be required to complete a substantial portion of program coursework online. ©2023 DeVry Educational Development Corp. • NETW191	Fundamentals of Information Technology and Networking	• IT 151 or • IT 103	Introduction to Networking or Networking Fundamentals
Medical Technology and Healthcare Systems			
• BIOS105	Fundamentals of Human Anatomy and Physiology	• BIO201/201L or • BIO202/202L	Anatomy and Physiology I with Lab or Anatomy and Physiology II with Lab

Information Technology Essentials – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Mathematics			
• MATH114	Algebra for College Students	• OOSL-0002 or • OOSL-0076	College Algebra or College Algebra Exam
Tech Core			
• CEIS106	Introduction to Operating Systems	• IT 150	Introduction to Personal Computer Maintenance
• CEIS110	Introduction to Programming	• CS101	Introduction to Programming
• NETW191	Fundamentals of Information Technology and Networking	• IT 151 or • IT 103	Introduction to Networking or Networking Fundamentals

Internet of Things – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Mathematics			
• MATH114	Algebra for College Students	• OOSL-0002 or • OOSL-0076	College Algebra or College Algebra Exam
Tech Core			
• CEIS106	Introduction to Operating Systems	• IT 150	Introduction to Personal Computer Maintenance
• CEIS110	Introduction to Programming	• CS101	Introduction to Programming

Medical Billing & Coding – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Natural Sciences			
• BIOS105	Fundamentals of Human Anatomy and Physiology	• BIO201/201L or • BIO202/202L	Anatomy and Physiology I with Lab or Anatomy and Physiology II with Lab
Health Information Technology			
• HIT111	Basic Medical Terminology	• MEDTERM101	Medical Terminology

Medical Billing & Coding – Health Information Coding – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Natural Sciences			
• BIOS105	Fundamentals of Human Anatomy and Physiology	• BIO201/201L or • BIO202/202L	Anatomy and Physiology I with Lab or Anatomy and Physiology II with Lab
Health Information Technology			
• HIT111	Basic Medical Terminology	• MEDTERM101	Medical Terminology

Networking Essentials – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Mathematics			
• MATH114	Algebra for College Students	• OOSL-0002 or • OOSL-0076	College Algebra or College Algebra Exam
Tech Core			
• CEIS106	Introduction to Operating Systems	• IT 150	Introduction to Personal Computer Maintenance
• NETW191	Fundamentals of Information Technology and Networking	• IT 151 or • IT 103	Introduction to Networking or Networking Fundamentals

Programming Essentials – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Mathematics			
• MATH114	Algebra for College Students	• OOSL-0002 or • OOSL-0076	College Algebra or College Algebra Exam
Tech Core			
• CEIS106	Introduction to Operating Systems	• IT 150	Introduction to Personal Computer Maintenance
• CEIS110	Introduction to Programming	• CS101	Introduction to Programming

Software Design & Solutions – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Mathematics			
• MATH114	Algebra for College Students	• OOSL-0002 or • OOSL-0076	College Algebra or College Algebra Exam
Tech Core			
• CEIS106	Introduction to Operating Systems	• IT 150	Introduction to Personal Computer Maintenance
• CEIS110	Introduction to Programming	• CS101	Introduction to Programming

Web & Mobile Application Development – Undergraduate Certificate Program			
DeVry University Courses		StraighterLine Courses	
Mathematics			
• MATH114	Algebra for College Students	• OOSL-0002 or • OOSL-0076	College Algebra or College Algebra Exam
Tech Core			
• CEIS106	Introduction to Operating Systems	• IT 150	Introduction to Personal Computer Maintenance
