

Transfer Credits from ACI Learning

Effective from December 28, 2021 to December 28, 2023

DeVry University has developed this Transfer Guide to assist students transferring from ACI Learning to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at ACI Learning, may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the [Academic Catalog](#).

This guide is based on a review of ACI Learning courses by DeVry as of 12/28/22 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

Process

Applicants seeking to transfer credit must:

1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please see a DeVry University admissions representative to request a transfer credit evaluation. Transfer credit is considered on an individual basis and awarded only upon receipt of an official transcript.

Limitations and Restrictions

Admission and credit applicability are subject but not limited to DeVry University's admission requirements, program requirements, and academic policies, including but not limited to the prior learning credit policy. Additional state-specific requirements for credit acceptance may apply.

Please note the following:

- Proficiency credit is granted for workforce training.
- Course equivalencies vary based on program.
- Curriculum changes at either institution may affect transferability and applicability of certain credits. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.

The provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. The information contained herein is neither an award nor a commitment to award credit at DeVry University.
