

PUBLIC ADMINISTRATION

Emphasis: Government Management

ABOUT THIS DEGREE PROGRAM

The Master of Public Administration (MPA) program focuses on concepts and skills needed to effectively manage organizations operating outside of the traditional business environment.

If your professional goals include lending your managerial expertise to city, county, state or federal governments, the MPA with Government Management may be right for you.

Graduates of DeVry University's Keller Graduate School of Management Public Administration program with an emphasis in Government Management may consider careers in areas such as regulatory affairs and compliance, social and community service management, or administrative services management to name a few.

CAREER OPPORTUNITIES

Graduates of DeVry University's Keller Graduate School of Management Master of Public Administration program with an emphasis in Government Management may consider career fields such as:

- Administrative Services Management
- Regulatory Affairs and Compliance Management
- Social and Community Service Management

WHAT YOU'LL LEARN

- Determine and execute the objectives of non-profit and/or governmental organizations
- Collaborate effectively with diverse populations in multiple settings.
- Demonstrate professional oral and written communication skills through written reports, research projects, project plans and oral presentations.
- Synthesize leadership and team-building skills and effective management practices to ensure stakeholders are engaged and resources are used effectively

QUICK FACTS

ACCREDITATION MATTERS

Keller's Master of Public Administration program has achieved voluntary accreditation from the Accreditation Council for Business Schools and Programs (ACBSP, www.acbsp.org), demonstrating that it has met the standards of business education that promote teaching excellence.

ACCELERATE ON YOUR SCHEDULE

Choose the schedule that best fits your goals and commitments. With at least **9 credit hours**, of qualifying Prior Learning Credit and an accelerated pace, you can earn your **Master's Degree** in as few as **12 months**.

Or, follow a normal schedule and complete your program in 2 years 2 months.

*Accelerated schedule requires at least 9 credit hours of Prior Learning Credit. Assumes completion of 3 semesters, enrollment in an average of 10 credit hours per semester and continuous, full-time year-round enrollment with no breaks per 12-month period.

**Normal schedule does not include breaks and assumes 3 semesters of year-round, full-time enrollment in an average of 6 credit hours per semester per 12-month period.
